Hello Anthony,

Hope all is well and that you are surviving this heat.

I am wondering if you can have the letter for the Ramapo NAACP completed in the next week or so. I was hoping to get it before the semester started, but hopefully we can get everything up and running soon.

Also how did your first semester of teaching go?

Hello Ivan,

Hope all is well and my first semester went quit well if I may say so. In regards to starting a unit at Ramapo College, since the state conference convention is a month from now, I am going to wait until the newly elected State Conference and Youth Leadership is in place and can participate in the chartering of the unit.

Anthony

Good morning Anthony,

I thought I responded to this. The time of the state conference didn't have an impact on the charter of the chapter. It could've been started in September. Either way the officers in place would stay in place until the January induction. But Professor Reck wasn't able to before the convention, so kind of worked out. Good to see Bergen County representing at the convention.

If you could have the letter soon though we would really like that.

I'm glad your semester went well. Hope the second semester is going well. I will be able to pick your brain when I adjunct in the future. First question do you have a masters or anything higher then a BS/BA?

Peace,

Hello Anthony,

I hope you are well and surviving this heat. I'm wondering if you might be able to write a letter about the Ramapo Chapter. Mine is pretty much complete and we have the 25 members. We are almost on our way to completing this.

How did your first semester of teaching fair?
