Electing New NJ State Y&C Advisor?

Hello Rev. Ford,

I hope you are well and enjoying the holiday season. NJ is in a period of transition as the Adult SC has moved out of the state and the Adult SC told my executive board she resigns.

I'd like to know the proper procedure for elect an advisor to fill out her term, which is not outlined in their by-laws. We want to make sure we can get the new advisor to resolve and need help.

Do we call a meeting to carry out the election with the same 3 day notice in person or by phone? Who needs to be invited to the election meeting? Or, is there another way?

Thanks for your attention and help. Happy Holidays.

Peace,

Ivan
