Good Evening Ivan,

Thank you for your response. We look forward to coming with your final report for convention programming and speakers.

Let me also take this opportunity to remind you that as an officer, you not only represent the organization, you also serve as a role model to others. Having said that, I must tell you that the use of slang and other euphemisms should not be used in your communications i.e. ("Y'all") to other officers (adults or Y&C), but especially the State President. Please refrain from such usage in the future.

Mrs. Darkes

Hello Y'all,

The Y&C Division will be there - that's 4 of us in total - but we will have to be one of the first speakers because we need to leave by 5 PM since we all have morning classes and we have far rides from Trenton.

See y'all on Sunday at 3:30.

Peace,

Ivan
